WINE ENTHUSIAST[®]

BUYING GUIDE

91 Cambiata 2015 Albariño (Monterey).

The potential for this grape grown in cool California climates remains very high, as evidenced in this crisp and bracing bottling. Cut limes, chalk and wet slate are leveled by richer nectarine and lime blossom notes on the nose, while the sizzingly acidic palate combines fresh citrus with green pear, green apple and lemon balm flavors. —M.K.
